

**CONSENT FORM FOR RESTELAB RESULTS TRANSMISSION TO CLINIC SOFTWARE: CLINIC ASSIST**

With advancements in technology, vast amounts of personal data are collected, used and even transferred to third party organisations for a variety of reasons.

As Reste Laboratories value the privacy of every patient's personal information and their laboratory results, we would need your consent and indemnity as below to disclose your patients' laboratory results, through your preferred clinic software provider, to you.

*Definition:*

*Personal data refers to data, whether true or not, about an individual who can be identified from that data; or from that data and other information to which the organisation has or is likely to have access. Personal data in Singapore is protected under the Personal Data Protection Act 2012 (PDPA).*

---

We/I hereby consent to release our clinic's patients' laboratory results from Reste Laboratories to our preferred clinic software provider as stated below.

We/I agree to indemnify and hold harmless Reste Laboratories from all liability for any loss of, or data leak of transmitted laboratory results data.
